KISH

Kish is a young singer songwriter who sings songs in the style of John Martyn and Nick Drake. A talent not to be missed.

GRANT CURNOW

www.myspace.com/grantcurnowmusic

Grant is a comedy performer from Manchester who occasionally plays songs. He runs a variety night in Manchester, Solipsists Anonymous and also performs as Morrissey in Smiths tribute act, The Handsome Devils.

PAUL RHODES

Paul Rhodes is a regular on the Lancaster open mic circuit where he has become a favourite with his Bowie inspired sets.

GARY TODD

<http://www.myspace.com/garytoddtunes>

Gary Todd brings his band from Blackpool to share his tunes with the Lancaster Music Festival.

MARIA JORDAN

<http://www.mariajordan.com>

MARIA IS A RARE FIND OF PURE VOCAL TALENT. She delivers that "special something" that is hard to find in a sea of new talent these days. She recently played Rock Fm's Rock in the Park.

BENNI BEARD

<http://www.myspace.com/bennibeard>

Benni Beard, the frontman of Lexico plays a solo set at the Lancaster Music Festival. He has supported the likes of Abdoujaparov and Subliminal Girls

LIAR LIAR

www.myspace.com/liarliaruk

Liar Liar are a merry band of handsome young chaps from Lancaster and Morecambe, they are sharp of style and sharp of wit and their mothers love them. They were recently chosen from thousands of young bands to play at the Underage Music Festival in London.

SAY NICE THINGS ABOUT EVERYONE

<http://www.myspace.com/saynicethingsabouteveryone>

You'll laugh, you'll cry... You'll love Say Nice Things About Everyone. Lo-Fi Riot folk

HOME MADE LEMONADE

www.myspace.com/hommadelemonademusic

In the summer of 2008 Homemade Lemonade started playing songs and making live electronics from these songs using Max/MSP. They recently released their debut album with Barnbox. Homemade Lemonade create tense swathes of acoustic atmospherics, before smashing it to bits with a jackhammer of drums, buzz-saw guitar and bass'

JO GILLOT

www.myspace.com/jogillot

Honest, delicate, homespun folk from and exciting and prolific young talent.

"An astonishing new voice, so touching on so many levels" Steve Lamacq, Radio 2

THE HANDSOME DEVILS

<http://www.myspace.com/thehandsomedevils Lancaster>

The worlds best Morrissey and Smiths tribute act.

3D TANX

www.myspace.com/3dtanx

Guernica

www.myspace.com/guernicamusicuk

Guernica, an indie rock band formed at Lancaster University at the end of 2008. They recently supported The Bluetones at the Sugarhouse.

ADVENTURES OF LOKI

<http://www.the-adventures-of-loki.org/>

Adventures of Loki are a rock band from Lancaster, They have been played on Radio 1 and their videos have been on MTV2 and VH1. Their new album, is out on the 14th September.

BEAT THE RADAR

www.myspace.com/beattheradar

Beat the Radar have just released their debut single, Telephone Conversation.

"One of those dirty indie anthems you should only hear at the end of the night....like a less violent Cribs or Pavement gone anthemic, Beat The Radar are old-school indie charmers in the truest plaid-shirt wearing, vinyl-case carrying sense" *Gig of the week* MANCHESTER EVENING NEWS

LOUIS BARABBAS AND THE BEDLAM SIX

<http://www.louisbarabbas.com/>

"Rousing, heart-breaking and foot-stomping in equal measures, The Bedlam Six are a swirling, gritty mass of influences and ideas. Their tunes are often barnstorming vaudeville folk brilliance, but their real thrill comes from the interplay between Ali and Louis, who sound like a fist-fight love-in between a long-lost showgirl and a whisky-soaked rambler. Make no mistake, their music is as likely to steal your soul as soothe it."

Chris Long - BBC Manchester

Excellent in EVERY way - BBC 6 Music.

UNCLE JEFF

www.myspace.com/unclejeffmusic

Belting escapist pop reminiscent of Yo La Tengo, Pavement and The Lemonheads. Recently released their debut EP, the sun might shine bright on Barnbox.

"Spendidly crooked pop songs" NME

MARRIED TO THE SEA

<http://www.myspace.com/marriedtothesealion>

Married to the Sea are from Liverpool and they create rowdy pop people can dance to. They have supported bands such as Idlewild, ed Harcourt and The futureheads

HOWS MY POP

Observational indie from the four lads from Lancaster who played the BBC introducing stage at Glastonbury. Their second album released by Barnbox, 'On the Hop' will be available on the night.
